

*Respected sir,*

D.O. No. F8(44)/DoIT&C/Gen/22-04123/05835/2022  
Date:- 06-09-2022

Government of Rajasthan is committed to provide better future to youth of the state, hence aims to provide a bigger platform covering huge masses for choosing their career path at the job fair event.

Department of Information Technology & Communication is organizing DigiFest IT Job Fair 2022 at Govt. Polytechnic College, Jodhpur during 29<sup>th</sup> September 2022 to 30<sup>th</sup> September 2022.

The IT Job fair would provide immense opportunities to all students, who are pursuing higher/ technical education in the State, to seek job opportunities in the company of their choice. It is estimated that about 150 plus companies from various areas like Information Technology, Consulting, Automobiles, Call Centers, Finance, Manufacturing and many more are likely to participate for JOB-FAIR. It is pertinent to mention here that the earlier job fair events conducted by DoIT&C were a huge success.

It is therefore, requested that instructions may be given to all the institutions (Universities/Colleges/ Polytechnics/ ITI's etc) for dissemination of the information for active participation of the faculty and students and for display on the education portals to ensure maximum participation.

For additional queries, institutions may connect at :-
